SLOW PROSECUTOR NOT TO GET JOB

Name of Oregon District Attorney Withdrawn From Nomination in Senate.

PORTLAND, Ore., December 12.—Upon the announcement that the nomination of William C. Bristol for the district attorneyship of Oregon would be withdrawn from the senate, Bristol signed the following statement:

"According to my invariable rule, I have nothing now to say on the subject. At the proper time, however, I will make a full, satisfactory statement of all the facts and circumstances."

"December 10, Heney wired me from San Francisco that he expected to arrive in Portland on the sixteenth. Since then I have heard nothing about the Oregon land fraud situation."

"Everyone having any knowledge of the land fraud cases, even the defendants themselves will know that the circumstances upon which the trials of these cases depend have never been and are not now in my hands or control."

WASHINGTON, December 11.—In addition to the official announcement of the reasons which prompted the withdrawal from nomination of Federal District Attorney Bristol of Oregon, it was learned that in the opinion of the attorney general, Bristol did not exhibit the application and alacrity in disposing of the land fraud cases that had been expected of him, and that, therefore, his services should be discontinued. The impression was given that the successor to Bristol would be appointed without delay, but there was no intimation as to whom it would be.

HIGH WHITE REVENTS RECOVERY OF BODIES

BLOOMSBURG, Pa., December 12.—Owing to high water in the Susquehanna river and terrific force of the current, no attempt was made today to recover the bodies of the seven men drowned yesterday when the Millville bridge collapsed. The water rose rapidly until noon, when it began to subside. With the flood as it is any attempt to recover the bodies would be futile.

NEW STATE IN WRANGLE

GUTHRIE, Okla., December 12.—The house and senate have not as yet been able to get together in joint session to vote for a United States senator, both Lieutenant Governor Bellamy of the senate and Speaker William Murray of the house claiming the right to preside.
